

**TW Series**

**INDUSTRIAL VIDEOSCOPE**

- Two-Way 210° Steering Lens)
- Million HD Pixels
- 1080P HD Camera
- Support Android/iOS/Decoder
- One-Click Photo&Video
- LED Light Control
- High Temperature Protection
- IP67 Waterproof

**PRODUCT DETAILS**

**210° TWO-WAY ROTATION**

Roller damping positioning design

**TWO-WAY ROTATION**

All-round viewing, eliminating visual blind spots

**MILLION HIGH-DEFINITION PIXELS**

Using the latest camera imaging technology to truly restore details

**CAMERA imaging technology**

**Before 1M pixel optimization**

**FULLY COMPATIBLE**

It is equipped with 3 adapter cables and 1 Adapter, supports Apple/Android/Huawei, and is compatible with more than 99% of mobile devices on the market and supports decoders at the same time.

**ONE-CLICK PICTURE SHOOTING & VIDEO RECORDING**

Short press the camera button after boot, easy to achieve a key picture shooting/video recording

**HIGH BRIGHTNESS LED LIGHTING & IP67 WATERPROOF**

Short press the camera button after boot, easy to achieve a key picture shooting/video recording

**HIGH TEMPERATURE PROTECTION**

During the detection process, the ambient temperature exceeds 85 °, and the device will issue a high temperature alarm.

**APPLICATION**

**APPLICABLE TO VARIOUS SCENARIOS**

Multiple application scenarios, simple and ingenious to meet various needs

Pipeline Maintenance

Car Maintenance

Home Appliance Repair

Blockage Troubleshooting

**PRODUCT PARAMETERS**

**Host**

Display	Connect external mobile phone
Dimension	220x60x56mm
Interface	Type-C
Power	Mobile phone power supply
Storage Temperature	-10~80°C
Relative Humidity	Max 95%, No condensation
Storage	Mobile internal storage

**Camera Probe**

Probe Diameter	6mm
Material	Metal hose tube
Pixel	≥1.0MP
Length	1m
Articulation	Two way
Swing head angle	≥210°
DOF	15mm~∞
FOV	90°
Viewing angle	Front view
Illumination	LED illumination
Operating Temperature	-10~85°C
IP Grade	IP67

**System / software**

Image / video format	Image:JPEG(JPG), Video:AVI
Compatible system	Android, iOS, Decoder
System language	Chinese, English, German, Japanese, Spanish, Italian, French
Operation mode	Mobile phone touch operation/Button operation
